

SHEPHERD'S CARE FOUNDATION

# Welcome

to

## Independent Living

# KENSINGTON VILLAGE

*Dedicated to the "celebration of life"  
in a caring Christian environment*

SHEPHERD'S CARE FOUNDATION

**W**elcome to the Shepherd's Care Foundation (SCF). We are happy to have you with us. We understand that you and your family may have many questions and that this initial period of adjustment can be both exciting and stressful.

This booklet is designed to help you better understand our services and programs; and, ultimately, to help you feel at home at Shepherd's Care. We encourage you and your family to review it and to keep it on hand as a reference. Please keep in mind that our staff are always available to respond to any questions you may have.

At Shepherd's Care, we strive to be person centered in everything that we do. Person Centered Care is about building relationships and creating a home for our seniors. There are many opportunities and conveniences within our community that will allow you to feel at home.

The mission of Shepherd's Care Foundation is to be dedicated to the celebration of life in a caring Christian environment. We take to heart Jesus' teaching in the Bible to "love our neighbours as we do ourselves". The attitudes, organizational structures, policies and services of SCF demonstrates an awareness of, respect for, and attention to the diversity of persons served, personnel, families/caregivers and other stakeholders.

It is our hope that you and your loved ones feel welcome and at home at Shepherd's Care Foundation.

***Shepherd's Care Foundation is [CARF](#) Accredited  
as an Aging Services Network  
and for Assisted Living.***

## **YOUR RIGHTS AND RESPONSIBILITIES**

People who care and are concerned about your safety and well-being will surround you daily at Shepherd's Care Foundation. Therefore, it is important for you to continue to make choices and decisions to maintain your wellbeing and satisfaction.

While you are living at Shepherd's Care Foundation, you will have the right to be informed, listened to, feel safe, secure and supported, as well as respected and treated with dignity.

In order to be the best you can be, it is important that you:

- Do as much for yourself for as long as you are able.
- Get involved in your new community and enjoy the new experiences that meeting new acquaintances offer both you and your family.
- Stay involved with family and friends.

Remember that it takes time to settle into your new home – so expect some ups and downs!

### **Protecting Your Privacy**

All resident information will be kept confidential according to the Government of Alberta Health Personal Information Protection Act (PIPA). In accordance to these Acts, we do not allow our staff to discuss any issues sensitive or personal in nature or to gossip or discuss other residents, staff or management. We are committed to safeguarding your personal information.

## **LIVING IN YOUR NEW HOME**

### **Common Areas and Courtyard**

Common areas encourage a strong community spirit, providing space for residents to meet their neighbours and socialize. Care must be taken to ensure that common areas are kept tidy and safety standards are maintained.

Many of our sites have professionally landscaped courtyards with attractive areas providing a comfortable atmosphere for you and your family. Take the time to indulge in a favorite book or to enjoy an afternoon tea in the courtyard when the weather is appropriate. If you have had an interest in gardening, you have the opportunity to continue to enjoy this activity and participate during the gardening season.

### **Electrical Appliances**

Residents who wish to bring additional large appliances into their suite, such as deep freezers or air conditioning units, must have prior consent. Please note that freezers must be no more than ten years old, "Energy Star" rated and no larger than 12.8 cubic ft.

(chest style) or 17 cubic ft. (upright). Air conditioners must be portable style (not window inserts) and no larger than 8,000 BTU. **All electrical appliances must be CSA or UL approved.**

## **Furnishings and Decorating**

It is the responsibility of the resident to provide their own furnishings.

When decorating your personal space please keep safety in mind at all times.

- Too many scatter rugs can cause falls
- Too much furniture makes it difficult to move around, especially if you have a walker or wheelchair
- Clutter invites bugs and vermin

## **Garbage Disposal / Recycling**

For your convenience there is a garbage chute on every level of both the Manor and the Inn. Please be courteous and follow the garbage and recycling rules posted in each chute room. Non refundable recycling must be put in the blue bin outside of the Wellness Centre main doors.

## **Gifts and Gratuities**

Gifts to employees from residents or other individuals who have a business or professional relationship with Shepherd's Care Foundation may be seen as a conflict of interest and are deemed unacceptable by the organization. It is important that you do not offer money or gifts to any employees or volunteers.

## **Home Care**

Home Care Services are delegated through Alberta Health Services. The first step is to have an assessment done through an Alberta Health Services Home Care Case Manager by calling Community Care Access at 780-496-1300.

If a Case Manager has already been assigned to you and you have been receiving homecare at your old residence then a transfer of services needs to be implemented. Advise your present Case Manager that you are moving and they will contact the onsite care giver to start your program once you have moved.

If you wish to hire an independent service provider from the community, you may do so at your own expense. Please contact a Shepherd's Care Foundation representative who can help you through the process.

## **Moving Out**

A "Notice to Vacate" form must be completed when moving out. This form is available from the Reception Desk. Please fill it out and return it to Reception.

A move out inspection must be arranged at which time you will return your Emergency Response Pendant, any proxy cards, suite keys and mail keys that you and your family may have.

## **Pets**

No pets, animals, reptiles or birds of any kind or nature shall be allowed, or kept in the Suite, either on a temporary or permanent basis. Some centres may have live-in pets, such as fish or birds. Animals may come to the centre as part of recreation therapy programs. Family pets are also welcome to visit the centre. Please inquire with the centre regarding their Pet Policy before bringing in your pet. Pets are not allowed in the kitchen areas or dining rooms. If you have questions, please contact the Recreation Therapist.

## **Social and Leisure Activities**

Shepherd's Care Foundation provides a variety of scheduled and unscheduled social and leisure activities. These are arranged and supported by staff with the training and knowledge to ensure that the activities promote physical and emotional well-being and enjoyment. A monthly program calendar is posted throughout the facility and on the SCF website [www.shepherdscares.org](http://www.shepherdscares.org) (click "Our Communities", select the page for your centre, and click on "Calendar of Events"). It is important that you share with the staff any suggestions you may have of activities that you would enjoy or you feel others would enjoy. Often through these community gatherings we get to know you and you get to know us and your community!

Our wheelchair-accessible bus is used for off-site activities. There is a charge for trips, and fees may apply to some programs. Please take time to find the activities that you will enjoy!

## **Suite Inspections**

There will be regularly scheduled suite inspections to ensure the suite is properly maintained by both the resident and Shepherd's Care. Inspection notices will be delivered to the suite no less than 48 hours before the inspection. Residents are not required to be present during the inspection. Work required as a result of the tenant and beyond normal wear and tear will be billed to the tenant. Please refer to the current Service Fee Schedule for pricing.

## **Television and Telephone Service**

Basic cable television services are included in the monthly rent. If you would like an individualized program package, please contact the cable company directly. The cost of this service is your responsibility.

Telephone service can be arranged by contacting a telephone provider who will bill you directly for this service.

## **YOUR SAFETY AND SECURITY**

### **Commitment to Resident Safety**

SCF promotes healthy, safe and clean environments that support quality services and minimize risk of harm to residents, employees, families and other visitors. We recognize safety as a foundation upon which quality of care and service is built.

SCF believes that safety is a key part of every job, at every level of the organization, and strives to create a supportive environment in which safety hazards or incidents are readily reported.

We inform and educate residents and families about their role in safety, recognizing choice and independence must be balanced with potential risk to safety. We encourage residents and families to help staff identify and report safety issues. SCF focuses on preventive approaches and making the necessary system changes along the way in order to better safeguard residents from harm.

### **Creating a Safe and Respectful Environment**

SCF is committed to:

- Fostering a healthy, safe and caring environment for residents, staff, volunteers and all visitors.
- Creating an atmosphere of trust, respect and dignity in all our relationships.
- Protecting against disrespectful behavior, abuse, violence, discrimination and harassment.
- Ensuring everyone follows the relevant policies and legislation.

Disrespectful and Disruptive Behavior includes, but is not limited to:

- Written or verbal comments and behaviors that are rude, degrading or offensive.
- Jokes that are demeaning and result in embarrassment or insult.
- Bullying, shouting or threatening which demeans an individual.
- Attempts to discredit an individual by spreading false information about him or her.

We expect all staff, volunteers, residents, family members, visitors and other service providers to treat each other with respect, dignity, honesty and courtesy. Behavior and/or situations that go against these expectations will not be tolerated.

### **Building Safety and Security**

Residents can provide door access to visitors who ring from the outside doors. The entrance door closest to your suite will have a panel listing your name and a code to your telephone number. If a visitor calls from the panel, the resident will answer and can press 9 on the phone to automatically open the entrance door. Before opening the door, residents may speak to the visitor and see the visitor at the entrance as there is camera access on their TV. By selecting channel 116 (Manor) or 117 (Inn) the resident can see

who is ringing them before letting that visitor into the building. To keep the building secure, please do not allow strangers in.

Press 9 on your telephone to let visitors in	View <b>Manor</b> visitors on channel 116 View <b>Inn</b> visitors on channel 117
<b>Never allow strangers into the building</b>	

Care must be taken to ensure that common areas maintain safety standards which include:

1. No smoking.
2. Obstructions, such as chairs, ornaments or floral decorations around doorways are not allowed.
3. Parking of scooters / motorized wheelchairs in hallways is not allowed.
4. Items to be 'donated' or given away to other tenants are not allowed to be left in any common area. Anything left anonymously will be disposed.

### **Emergency Response Pendant**

The main purpose of our Emergency Response Pendant is to allow someone who has safety or health concerns to summon emergency assistance at the touch of a button when in your suite. The pendant is waterproof, and should be worn at all times by the resident. Please use this only for medical emergencies.

### **External Services**

You may wish to hire an independent service provider at some point as you live here. If you do so, we encourage you to consider a number of oversight activities that will help minimize your risk, including reference checking, requiring a criminal record check, bonding, licensing, professional certification, and verification of whether or not the contracted provider has liability insurance (as appropriate to your situation; not an exhaustive list)

### **Fire Safety**

The following Fire Regulations are given for the purpose of providing our residents with information on what to do in an emergency. Fire regulations are also posted on the back of your apartment entrance door for easy access. Please read them carefully and follow the instructions given.

#### **WHEN ALARM SOUNDS**

1. Remain **CALM**
2. Leave your suite and close all windows and doors
3. Go to the nearest, safe exit door or stairwell from where you are  
**\*\*DO NOT USE ELEVATORS\*\***

4. Follow the handrails if going down the stairwell.
5. Safely make your way outside of the building.
6. Do not return to the building until “ALL CLEAR” is announced by the Fire Department.

**IF YOU ARE UNABLE TO WALK DOWN STAIRS:**

1. Remain CALM
2. Remain in your suite
3. Keep your door and all windows closed
4. Call 911, give them your location and floor number
5. Inform them you are unable to leave the building
6. Wait for further instructions

**IF YOU DISCOVER A FIRE: (Follow REACT)**

- R**emove those in immediate danger
- E**nsure that you close the door and windows behind you
- A**ctivate the fire alarm at a pull station (if alarm is not ringing)
- C**all 911
- T**ry to extinguish the fire if you are able

## Loss of Services

Loss of services and other emergency processes are in place to ensure your safety during power outages, water shut down or any other disruption to your accommodations, our staff are trained to deal with and manage our contingency plans ensuring resident safety. Please attend resident meetings for additional details and ongoing education. Please speak to management team with any concerns.

## Infection Control

Our goal is to prevent and control infections among our residents and staff. There are three simple things you can do to substantially reduce the spread of germs and protect the health of our residents and staff:

1. **Hand washing:** Wash your hands thoroughly and frequently. Use the hand sanitizers provided.
2. **Respiratory etiquette:** Cover your mouth and nose when coughing or sneezing. Put used tissues in the garbage.
3. **Responsible visiting:** Please remain in your apartment and do not visit if you are feeling ill or have symptoms of vomiting, diarrhea or influenza (fever, cough, sore throat, generalized aches and pains). Family and friends who are ill should not visit until they are better.

We strongly recommend that you and your family receive the influenza immunization in the late fall or winter months every year. Residents have the opportunity to receive their

flu shots from a Public Health nurse on site every fall. Family and friends may be immunized at any of the clinics offered in the community.

Pneumococcal vaccine is also recommended for those 65 years and over, and is usually only given once.

Hoarding creates unsafe conditions; such as, an increased risk of falls, unsanitary conditions create an increased prevalence of insects and vermin and the increased risk of fire putting all residents in jeopardy. Residents are expected to keep all areas of their suite clear and clean for access by maintenance staff and emergency personnel.

### **Insurance**

Residents are responsible for obtaining insurance on their personal property as well as maintaining adequate general liability insurance to cover legal claims against the resident or damage to the suite and common areas in the site caused through fault of the Resident or members of the Resident's family. You must maintain the liability amount outlined in your lease agreement and provide a copy of insurance to the leasing office. Insurance must remain in good standing throughout the lifespan of the tenancy agreement.

### **Keys**

All keys remain the property of Shepherd's Care Foundation. Each resident will receive two suite keys upon move in. Proxy cards allow residents access to the building from the outside. Residents will receive one Proxy card per suite upon move in. There will be a fee for any additional keys or proxy cards required. Keys cannot be duplicated except by Shepherd's Care Foundation.

### **Loss or Damage**

Shepherd's Care is not able to accept responsibility for loss or damages to personal belongings. Each resident is solely responsible for the care, protection and well-being of all valuables, personal effects, prosthetic devices or cash. We suggest labelling your wheelchair, walker or cane.

### **Motorized Wheelchairs and Scooters**

Motorized wheelchairs and scooters are permitted within a Shepherd's Care site based on eligibility criteria to ensure the safety of all residents, staff and visitors at the site, as well as property and other equipment. There will be a maximum number of motorized scooters/wheelchairs allowed in the facility at one time. Motorized wheelchairs and scooters require pre-approval from the Site Lead/Administrator. Motorized wheelchairs and scooters must be stored in the resident suite and may not be left in the hallway or common areas.

Scooter and motorized wheelchair users may be required to pass an assessment test, sign a “Code of Courtesy” agreement, provide proof of insurance monthly and be subject to a monthly fee. Please discuss with the Leasing Office.

### **Oxygen Use**

Residents who require the use of oxygen must inform the front desk. Tanks are not to be stored outside of the suite and should be maintained with care. “Oxygen in Use” signs must be displayed outside suite doors.

### **Scent-Free Environment**

The chemicals used in scented products can make some people sick, especially those with fragrance sensitivities, asthma, allergies and other medical conditions. Please refrain from wearing perfume, cologne, aftershave and other fragrances to protect the health of our residents, staff and visitors.

### **Smoke-Free Environment**

To protect the health of residents, staff and visitors, we are a smoke-free environment. Visitors may not smoke in the centres or on the property. Please do not give cigarettes to any resident. Thank you for your consideration.

## **IMPORTANT PEOPLE AND SERVICES**

### **Banking**

A representative from Servus Credit Union Bank will be onsite once a month. Time and location will be posted in the Recreation Calendar.

### **Clinical Services**

Various clinics visit on an ongoing basis. Podiatrists, Denturist, Dental Hygiene, Blood Pressure Clinics, and Hearing Clinics make regular visits. Times and locations can be found in the Recreational Calendar or posted outside the Doctor’s office. Independent doctors who hold office hours in our clinic space post a schedule outside the Doctor’s office. Please see reception for any details.

### **Exercise Room**

The exercise room is located on the fourth floor of the Manor and is equipped with various machines and equipment. There is no supervision of the exercise room and residents use it at their own risk. We strongly recommend the buddy system when using any of the equipment and encourage you to be cautious at all times. Please refer to the monthly recreation calendar for other fitness classes offered.

## **Gift Shop**

The gift shop is located on the main floor near the reception and is open during reception hours. Items available include stamps, greeting cards, snacks, toiletries and gift items.

## **Guest Suite**

There is a guest suite available for rental, please see reception for rates and availability. Please ask your guests to arrive through the main Wellness Centre doors if possible.

## **Hair Salon**

Appointments may be booked directly through the Salon 780 733-3300. A number of services are provided and a price list is available at the Reception Desk.

## **Housekeeping**

Residents are responsible for the care and upkeep of their suite. Housekeeping services are available through Shepherd's Care if needed. Please inquire about individual service costs.

## **Laundry Services**

A coin-operated washer and dryer are available in the laundry room on each floor. Health and Safety restricts residents from leaving personal soaps and powders, irons and other items in the common areas. Please clean lint traps after you have used the dryer. Full lint traps are a fire hazard.

Laundry service is available Shepherd's Care Foundation for a fee.

## **Library**

The library is located on the second floor of the Inn. The books on the shelves are available to all residents on an honour system. We also have a Librarian who visits from the Edmonton Public Library once a month. You are welcome to order library materials through the librarian online. Dates of when the librarian will be in attendance are posted monthly on the recreation calendar.

## **Maintenance Requests**

For non emergent maintenance issues in your suite, please call reception at 780-447-3840 to request service. There will be a service charge for designated repairs (for example: plugged toilet or sink, replace the light bulbs etc.).

For emergency or after hour maintenance issues, please press your Telecare Pendant.

Our maintenance staff is dedicated to keeping our buildings safe and running smoothly.

## **Mail**

Mail boxes are located on the main floor, near the elevators. Your mail box number corresponds to your suite number. The small key issued will fit the lock. Please note that lost mail keys are replaced through Canada Post at a cost to the resident. Mail can be posted out through the reception desk. If you receive a parcel too big to fit in your mailbox, you will receive a key in your mailbox indicating which larger parcel box it will fit. Once you have received your parcel, please leave the parcel box key in your mailbox for pickup by Canada Post.

## **Newspapers**

Newspapers can be ordered directly from the supplier and delivered to your door. Newspapers (not glossy print magazines) are collected every Wednesday for recycling. Residents must leave their papers for pickup outside their door by 10:00 am.

## **Parking**

Visitor, as well as handicap parking, is available in the marked parking stalls at the front of the buildings. If you need a parking stall, our Leasing Agent will be happy to assign you one at move-in time as available. There is a monthly fee for parking.

## **Pastoral Care and Chaplaincy**

Our Pastors and Chaplains are available to provide spiritual and emotional support to you and your family. They are trained to offer care to anyone and everyone, exhibiting the love of God through unconditional acceptance of the person, and offering whatever that person needs to find a sense of hope in their present situation.

There is always a Pastor or Chaplain on-call, 24 hours a day, to respond to any emergency or crisis situation, if their presence is requested. Feel free to contact a Pastor or Chaplain for any emotional, spiritual, or religious need or request.

The Pastors and Chaplains work closely with community clergy, and your own clergy is welcome to visit you at any time. Residents are invited and encouraged to participate in all the spiritual programs noted on the Activity Calendar.

## **Room Bookings**

Various sized social rooms are available to rent by residents for private family functions. Bookings can be arranged through Reception. The kitchen would be happy to cater your social event. Call 780-447-3840 extension 317

## **Village Dining Room**

The Village Dining Room is a full service restaurant available to residents, families, visitors and the general public. Milk, eggs, bread and other items can also be purchased there. Hours of operation are 7:30 am to 7:00 pm Monday through Sunday.

## **Volunteers**

Volunteers are the heart and soul of Shepherd's Care Village. We offer a number of volunteer opportunities for you to serve others and keep involved with gardening and organizing special events. It provides a great way to make new friends and make your new home a wonderful place to live.

## **COMMUNICATION**

SCF is committed to providing quality care and quality of life services to meet individual physical, spiritual, cultural, social and emotional needs. To do this, we need your support and involvement. Client Feedback Forms are available to express compliments and concerns. We are committed to addressing and acting upon feedbacks, comments and concerns within a reasonable amount of time. Any issues of concern can also be e-mailed to [info@shepherdscore.org](mailto:info@shepherdscore.org) where they will be directed to the appropriate manager.

Every two years we invite feedback from you through regular satisfaction surveys. The information provided by these surveys helps us identify areas for improvement and action required.

We have several electronic communication methods to easily and efficiently communicate with residents and family members. These include:

- The SCF Website ([www.shepherdscore.org](http://www.shepherdscore.org)) contains a wealth of information on the work of the Foundation, the continuing care system in Alberta, and site specific information such as the daily menu, monthly activity calendar, and upcoming educational seminars.
- The Facebook Page ([www.facebook.com/shepherdscoreeventpage](http://www.facebook.com/shepherdscoreeventpage)) provides photographs and snapshots of the many social events happening at Shepherd's Care.
- The Quarterly Newsletter, sent out electronically, features residents, staff and volunteer profiles, Foundation events, and general information of interest to our many supporters.
- E-Mail Letters. Residents and family members on our e-mail distribution list periodically receive site-specific information on upcoming events, such as resident special dinners, upcoming concerts, and Open Houses.

To add your e-mail address added to our distribution list for the Quarterly Newsletter and Site-Specific e-mails, please go to our website [www.shepherdscore.org](http://www.shepherdscore.org) and under "Sign up for Our Newsletters" on the homepage add your e-mail address to the information you would like to receive. At any time you can also go here to manage the information you are receiving.

## **Resident and Management Meetings**

Regularly scheduled meetings with residents and management allow sharing of information and concerns. We like to know what we are doing well and what we can improve. We welcome your participation and invite you to attend. Meeting times and locations are scheduled in your monthly recreation calendar.

## **CELEBRATE THE SPIRIT OF GIVING**

SCF is a registered not-for-profit organization. Donations help to create a more home-like environment in our centres and provide specialized equipment to assist in providing care and enhanced quality of life for many of our residents. We will direct your gift to the area of greatest need, or to a specific centre, program or project that you request. Donations that qualify for a tax receipt are eligible for the full tax credit allowed under Canada Revenue Agency law.

Annually a Cake Auction and Golf Tournament take place as a fundraiser for our sites. Residents and families are welcome to participate.

Please call the Fund Development Office at 780-463-9810 for more information or online at [www.shepherdscore.org](http://www.shepherdscore.org), click "Donate Now".

<b>NOTES:</b>
