

# KENSINGTON VILLAGE INDEPENDENT RESIDENTS UPDATE

MAY 26, 2020

## COVID-19 UPDATE

There are currently 4 active COVID-19 cases at Kensington Village. There have been a total of 23 resident cases, of which 15 individuals have recovered and 4 have sadly passed away. The full disclosure is available online at <https://www.shepherdscares.org/covid-19/covid-19-disclosure/>.

The current restrictions on the Kensington Village apply because there are still COVID positive cases on site. These include restrictions on visitors and on walks. We are looking ahead to the future and how these restrictions will be relaxed once the site is off COVID outbreak. The sooner we get there, the sooner we can reduce the restrictions for everyone.

Please continue to follow the guidelines in these newsletters including wearing your mask and self isolating as much as possible.

## PASTORAL CARE UPDATE

Dear Heavenly Father,

You have been with me all my many days on this planet, on mountain tops high, and through valley lows! I probably didn't always recognize that it was your Hand holding me and my family safe, but you did! Thank you!

When I look at the beautiful sky, whether in the daytime or even during some night hours, my infinite mind cannot comprehend your awesomeness! What a great and wonderful God you are, our Creator, our Savior, and yes, our Best Friend.

I love you Lord; thanks for loving me and mine!

In Jesus precious Name, Amen

Today I will be thankful for:
