# KENSINGTON VILLAGE INDEPENDENT RESIDENTS UPDATE

MAY 29, 2020

## UPDATED POLICY REGARDING DOCTORS' APPOINTMENTS

Dr. Hinshaw issued an updated Order this week that changed the policy around leaving for essential medical appointments. Residents are no longer required to self-isolate for 14 days upon returning from essential medical appointments.

To continue to keep yourself and your neighbours safe:

- Only leave your suite for essential appointments
- When out of your suite, wear a mask at all times and practice social distancing
- Continue to monitor yourself each day for symptoms using the self-monitoring tool
- If you are not feeling well, do not leave your suite and call 811

Effective next Monday, the KV Independents newsletter will be delivered three days per week – Monday, Wednesday, and Friday.

## PASTORAL CARE UPDATE

Dear Heavenly Father,

Today I'm full of thanks for the love of my family and friends! Where would I be without them in my life. You have given them to me in the school of life, where each learns from the other. I learned so much from my parents, and I learned even more from my children, and learned many different things from each friend you sent my way.

Thank you for the daily lessons, the sharpening of each other! Many lessons were very difficult, but you saw me through. Thank you for giving me a heart that is still willing to learn every day! Thank you for helping me with the tests of time. Thank you for the family of God!

In Jesus precious Name, Amen
