# KENSINGTON VILLAGE INDEPENDENT RESIDENTS UPDATE

JUNE 19, 2020

## COVID-19 UPDATE

We are very happy to report that we have no active COVID-19 cases at Kensington Village. The past few months have been very difficult for all of us, and it's thanks to your compliance with the rules that got us to where we are. The campus is still on outbreak, however, and we will have more information available shortly for relaunch.

Although there are no active COVID-19 cases at Kensington Village, there has been an increase in the number of COVID-19 cases in Edmonton and the orders from the Chief Medical Officer of Health still apply. There are still no visitors permitted in the building, you must wear your mask when not in your suite, and wash your hands regularly.

## PASTORAL CARE UPDATE

We no longer labor  
to gain an identity,  
because we've been given  
one through Christ.

J.D. GREEAR

John 1:12 says,

“Yet to all who did receive  
him, to those who believed in  
his name, he gave the right  
to become children of God.”

My identity is in Christ.  
I am a child of God.

Today I will be thankful for:
