Valentine's Day Poem

If you were my rose, then I'd be your sun,
painting you rainbows when the rains come.
I'd change my orbit to banish the night,
as to keep you in my nurturing light.

If you were my world, then I'd be your moon,
your silent protector, a night-light in the gloom.
Our fates intertwined, two bodies in motion
through time and space, our dance of devotion.

If you were my island, then I'd be your sea,
caressing your shores, soft and gentle I'd be.
My tidal embrace would leave gifts on your sands,
but by current and storm, I'd ward your gentle lands.

If you were love's promise, then I would be time,
your constant companion till stars align.
And though we are mere mortals, true love is divine,
and my devotion eternal, to my one valentine.

Reminder for Bus Out Trips

Important note: our Bus Policy states that we can not have a bus outing on a day that is minus 20 degrees Celsius or colder. This is to ensure the safety of our residents and for proper use of the hydraulic lift system. Please be patient with us as mother nature at times does not cooperate with our calendar of scheduled events. If you or your loved one is interested in attending any of our scheduled out trips, please contact Recreation by calling 461-3756.

Warm Welcome to:
