COVID-19 UPDATES

Millwoods Manor remains COVID-19 free. Our number of active cases at Kensington Village continues to decline, we are currently down to just two active resident cases. Thank you for your ongoing compliance to help keep your neighbours safe.

RELAUNCH STRATEGY

As we move to relaunch, it is important to keep in mind the guidelines from the Chief Medical Officer of Health to keep you and your neighbours safe:

- We have replaced the security guard with a self-screen table - please ensure you screen yourself before each entry
- Wear your mask at all times when not in your suite
- Stay at least 6 feet from your neighbours when you see them
- Wash your hand regularly
- Visitors are still prohibited - do not visit in the parking lot or in the building area
- If you are not feeling well, call 811 and stay in your suite

PASTORAL CARE UPDATE

Ephesians 2:19-21 says, “Consequently, you are no longer foreigners and strangers, but fellow citizens with God’s people and also members of his household, built on the foundation of the apostles and prophets, with Christ Jesus himself as the chief cornerstone. In him the whole building is joined together and rises to become a holy temple in the Lord.”

We are joined together with Jesus Christ as the chief cornerstone to withhold whatever challenges we may face.

Today I will be thankful for:
