Innovative, Christian, Age-in-Place Care

April 10, 2020

Dear Shepherd's Care Family,

It is with great sadness that I am writing to inform you of the passing earlier today of one of the residents with COVID-19 at the senior's rental apartments at Kensington Village campus of care.

On behalf of Shepherd's Care Foundation, we extend our condolences to their families and friends, to their fellow residents at Kensington Village, and to our staff who have been tirelessly providing compassionate care to our residents.

I understand that this is a very anxious time for staff, residents, and their family members. Everyone in the Shepherd's Care Family cares deeply for the physical, emotional, and spiritual well-being of our residents. From the outset of this terrible pandemic, we have been doing everything in our power to protect the health and safety of our residents, staff, and service providers.

As we grieve collectively, let us take comfort in these words from Psalm 46:1 *"God is our refuge and strength, an ever present help in time of trouble."*

God Bless
